

# PEEL MENU

Cosmeceutical grade and medical grade chemical peels to treat a variety of skin concerns for healthier, glowing skin.

We suggest pairing all chemical peels with a Yellow LED Healite treatment pre-peel.

---

## DERMACEUTIC PEELS

### MILK PEEL

\$ 150

A superficial peel intended for the treatment of mild acne, mild sun damage, keratosis pilaris and superficial pigmented lesions. A combination of lactic acid, glycolic acid, and salicylic acid. The perfect skin-glow pick-me-up.

### MASK PEEL

\$ 150

A very superficial peel for acne, oily and acne prone skins. Designed to manage dilated pores and excess sebum, this chemical peel combines salicylic acid, glycolic acid, and bentonite clay to draw out underlying congestion.

### MELA PEEL FORTE

\$ 350

Intended for the treatment of pigmented spots, post-inflammatory hyperpigmentation, and melasma.

This two-part peel involves in-clinic application of the chemical peel which is left on the skin for up to 12 hours.

### COSMO PEEL

\$ 350 - \$ 450

A medium-depth peel intended for the treatment of solar lentiginos, superficial pigmented lesions, keratosis pilaris, elastosis, and signs of ageing.

---

## MEDIK8 PEELS

### UNIVERSAL AHA PEEL

\$ 100

Suitable for almost all skin conditions and skin concerns, this gentle peel visibly brightens, smoothes, decongests and revitalises the skin. Ideal for a first time peel or to maintain results from other peels.

### SENSITIVE PHA PEEL

\$ 100

This gentle and hydrating peel uses poly-hydroxy acids to remove dead skin cells from the surface of the skin. For extremely sensitive or redness-prone skin to visibly smooth skin texture and help promote a stronger skin barrier.

---

## MESOESTETIC PEELS

\$ 250

**SALICYLIC 20%** For oily and acne prone skins. Reduces appearance of pores and superficial acne scars.

**LACTIC 30%** For fine lines, texture, lightening and brightening. Enhances skin moisture.

**MANDELIC 30%** For post-inflammatory pigmentation, acne scarring, active acne, oily skin, and dyschromia.

**GLYCOLIC 50%** For moderate skin ageing, moderate dyschromia and superficial acne scars.

---

## SPECIALTY PEELS

\$ 300

We have a variety of compound peels to treat various skin concerns including Jessner, TCA and lactic acid peels.
