EDUCATION MASTERCLASSES

INTRODUCTION TO CLINICAL FACIALS

Monday 22 August 9am - 4pm

Monday 19 September 5pm - 9pm

Ready to launch your career into dermal therapies? Our Introduction to Clinical Facials Masterclass is a one-day intensive program designed to give you the basic skills to:

- Undertake facial assessments in the scope of practice of a skin therapist
- Provide cosmeceutical skincare advice
- Provide clinical facials with advanced techniques
- Recognise and manage various skin conditions

This course is best suited to training and practicing beauty therapists and dermal therapists, however, is open individuals with an interest in skin therapies.

SCHEDULE

9:00 AM Start the day with an interactive learning session on all things skin - basic anatomy and physiology, skin function, and the role of the dermal therapist.

11:00 AM After a few light refreshments and a morning of theory learning, jump into the treatment room for a hands-on practical session where we'll cover skin diagnosis, tips & tricks, and facial techniques.

1:00 PM Time for a lunch break & networking!

2:00 PM We'll get right back into the swing of things with an afternoon of identifying skin conditions and their treatments - both in clinic and at home.

4:00 PM It's the best time of the day, Q&A! Your opportunity to ask Elise your burning questions about all things skin.

5:00 PM Our day together ends here, but it's not goodbye forever! We'll keep in touch for a Zoom session in the following weeks so that we can be your help from far away.

BY THE END OF OUR PROGRAM...

We want you to leave LILI with a new found love for dermal therapies and your career as a skin therapist. Our program is designed to empower, inspire, educate, and elevate every aspect of your job role. The support from Elise and the LILI Team is an ongoing thing, we want to hear about all of the wonderful things you achieve (because we know you'll do great things). We'll send you home with some of our favourite, tried and tested resources to help you achieve your in-clinic goals.

EDUCATION MASTERCLASSES

ACNE 101: A DERMAL CLINICIANS GUIDE TO MANAGING ACNE

Monday 17 October 9am - 4pm

Acne is a complex, multifactorial skin condition that requires more than just a quick fix.

This masterclass is designed to give you the skills you need to treat acne comprehensively by managing the causes, minimise the triggers, and rebuilding the skin's health for long term management. This one-day intensive program designed to give you the basic skills to:

- Understand the pathogenesis of acne formation
- Treat and manage acne effectively for long term results
- Incorporate lifestyle advice into your treatment program
- Understand the key cosmeceutical ingredients for acne management

This course is suited to training and practicing beauty therapists, dermal therapists, and individuals with an interest in skin therapies.

SCHEDULE

9:00 AM We'll dive into this masterclass with the basics of the skin and its function. We will then move on to the pathogenesis of acne - why does it occur, what other factors come into play, and most importantly, how do we manage acne?

11:00 AM After a few light refreshments, we'll move onto managing acne from a skincare and dermal therapy perspective.

1:00 PM Time for a lunch break & networking!

2:00 PM We'll get right back into the swing of things with an afternoon of training, looking internally at acne triggers and lifestyle tips for our clients to get the most out of their treatment program.

4:00 PM It's the best time of the day, Q&A! Your opportunity to ask our educators any questions relating to all things skin.

5:00 PM Our day together ends here, but it's not goodbye forever! We'll keep in touch for a Zoom session in the followings weeks so that we can be your help from far away.
